Cafè BarberaTM
since 1870

THE ITALIAN COFFEE HOUSE

It all starts with coffee from Italy's oldest coffee roasting company.

For centuries coffee has provided inspiration, warmth, energy, clarity, contemplation and a chance to savor and share "the good life" for all those whose enjoyed its robust flavors and rich aromas.

It wasn't until 1870, in Southern Italy, that true coffee perfection – Cafè Barbera® – was created by the founder, Domenico Barbera, when he opened the first coffee house and served fresh coffee roasted daily with passion and dedication.

150 years later the tradition of the Cafè Barbera Company, one of the oldest coffee companies in Europe, has been carried on by five generations of the Barbera family and merged with a spectacular vision to establish traditional Italian coffee shops serving premium authentic Italian roasted coffee beans.

Still sourced from seven varieties of the world's finest coffee beans, slow roasted separately by master coffee roasters and artfully blended to our original recipe.

We are delighted to bring to you our tradition, our art and our passion.
