THE ITALIAN COFFEE HOUSE

#CafeBarbera

## **It all starts with coffee from Italy's oldest coffee roasting company.**

For centuries coffee has provided warmth, energy, inspiration and contemplation for all those who have enjoyed its robust flavours and aromas. It wasn't until 1870, in Southern Italy, when Domenico Barbera created true coffee perfection - Cafè Barbera®.

Domenico opened our first coffee house and served fresh coffee, roasted daily with passion and dedication. Over 150 years later, this iconic Italian brand is one of the oldest companies in Europe and is still managed by the Barbera family. Maintaining the tradition of still being sourced from seven varieties of the world's finest coffee beans, slow roasted separately by master coffee roasters and artfully blended to our original recipe.

Each cup of coffee is hand-brewed by baristas who are trained in the ways of our founder Domenico, with a respect, reverence and passion for truly authentic Italian espresso. Stepping into a Cafè Barbera Italian Coffee House is like stepping back in time. Here you will find a slower pace and a chance to rediscover the finer, simpler things in life, like enjoying fresh and healthy food with family and friends.

We are dedicated to providing a nostalgic, yet enjoyable experience through superior product standards and service excellence.
